

HOW CAN ARELLO® HELP YOU?

WHO WE ARE

ARELLO® supports jurisdictions in the administration and enforcement of their real estate license laws through resource materials, events, training and certification programs, and by facilitating collaboration around best practices in real estate regulation.

ARELLO® Members include over 80% of US states, seven Canadian provinces, seven countries, and over 70 affiliate members.

MEMBER BENEFITS

LISTSERVS

ARELLO® offers specialized email group communities tailored for agency administrators, education and licensing professionals, investigators, legal experts, and timeshare specialists, providing a unique benefit to enhance your networking and knowledge-sharing experience.

MEMBER DIRECTORY

As a member, you gain inclusion in the Directory, offering direct contact information for hundreds of key individuals in the regulatory process. Additionally, the Directory provides exclusive access to contact details for major global real estate organizations (non-regulatory), enhancing your network and connectivity within the industry.

CASE LAW LIBRARY

Benefit by accessing ARELLO®'s esteemed database of real estate court decisions, available in a multi-year, searchable format. This resource allows you to easily find relevant cases by searching by topic, year, or keyword.

ARELLO® PROGRAMS

ARELLO® DIGEST

The Digest is a compilation of valuable information such as license counts, complaints, real estate educational requirements, and more. As a member, you will have unlimited online access to this wealth of information.

ARELLO® AWARDS

ARELLO® curates several awards each year for exemplary leadership in certain areas of real estate regulation.

LICENSE VERIFICATION

The ARELLO® Licensee Verification Database is designed to provide a central, "one stop" repository that will assist consumers and regulators verifying real estate licensure/registration.
