Guidelines for Grant Request Application

4.1 PURPOSE
Grants by the ARELLO® Foundation shall:

- Support research, development and implementation of educational projects;
- Sponsor educational programs;
- Promote the development of public protection service announcements; and,
- Enhance the development, administration and enforcement of programs and projects directly related to real estate regulation.

4.2 ELIGIBILITY
Groups eligible to participate in grant competition are:

- ARELLO® Standing Committees;
- ARELLO® Districts;
- Individual ARELLO® Member Jurisdictions;
- Public and private nonprofit education institutions; and
- Nonprofit real estate associations, societies and organizations.

A grant may also be awarded to provide direct funding or sponsorship for education programs and activities at any regular ARELLO® meeting and/or conference open to all members.

4.3 SCOPE AND REQUIREMENTS
All grants awarded must begin in the calendar year in which they are approved.

Grants must be in compliance with ARELLO® Foundation’s Policies and Procedures and ByLaws. Ownership of any material produced shall be retained by the Foundation unless addressed in the grant proposal and approved by the Foundation.

Based upon need, grants may be awarded in whole or in part, subject to available funds. (The Foundation is limited to distributions not to exceed 10% of the fair market value of all Foundation assets as valued on December 31 of the prior calendar year.)

A budget of projected income (if applicable) and expenditures must accompany the Grant application and support the project as described. Any change in the project must be approved by the ARELLO® Foundation Board of Trustees. Any unused funds at the end of the project will be returned to the Foundation.
When a grant is awarded, funds allocated at grant approval shall be 50% of the total request. The remaining balance will be disbursed upon successful completion of the project, unless otherwise stated in the original proposal and approved by the Foundation.

If the project is to be completed by the end of the calendar year in which the Grant is awarded, evaluations and accounting for funds should be completed within 30 days of project completion. (Grant Recipient’s evaluation form included as a part of this application.)

If the project is a multi-year project, progress reports by the Grant recipient should be made to the Board of Trustees at the Mid-Year and Annual ARELLO® conferences until project completion, at which time a project evaluation and accounting for funds should be completed within 30 days. (Grant Recipient’s evaluation form included as a part of this application.)

Failure to complete a project evaluation, to account for funds or to provide proper reports to the Board of Trustees will cause the recipient to be ineligible for future Grants.

If Grant applicant is other than an ARELLO® Standing Committee, District or Member Jurisdiction, a copy of the organization’s most recent financial statement should be attached.
