**Disclaimer:** The attached running/walking route identifies distances and routes and was created by an independent mapping service (i.e., "Creators"). This map was not created by the hotel. It is provided as a courtesy to our guests. The identified routes are on public streets and ways. As the hotel and Creators have no direct or indirect control over public areas, we urge you to use common sense for your own safety and security. The hotel and Creators do not guarantee the safety or condition of any roads, sidewalks, or trails. Please observe all laws and posted signs and warnings, including traffic signals.

We do not recommend that you jog, walk or jog at night.

Always carry identification.

Please be careful around intersections and roadways.

You are logging at your own risk. Just as you may be careful in a familiar area, you should be more careful in an unfamiliar area. Be aware of your surroundings at all times and keep alert. The hotel and Creators accept no responsibility for any and all injuries or deaths, in part or in whole, that may occur between 5:00 am and 2:00 am.

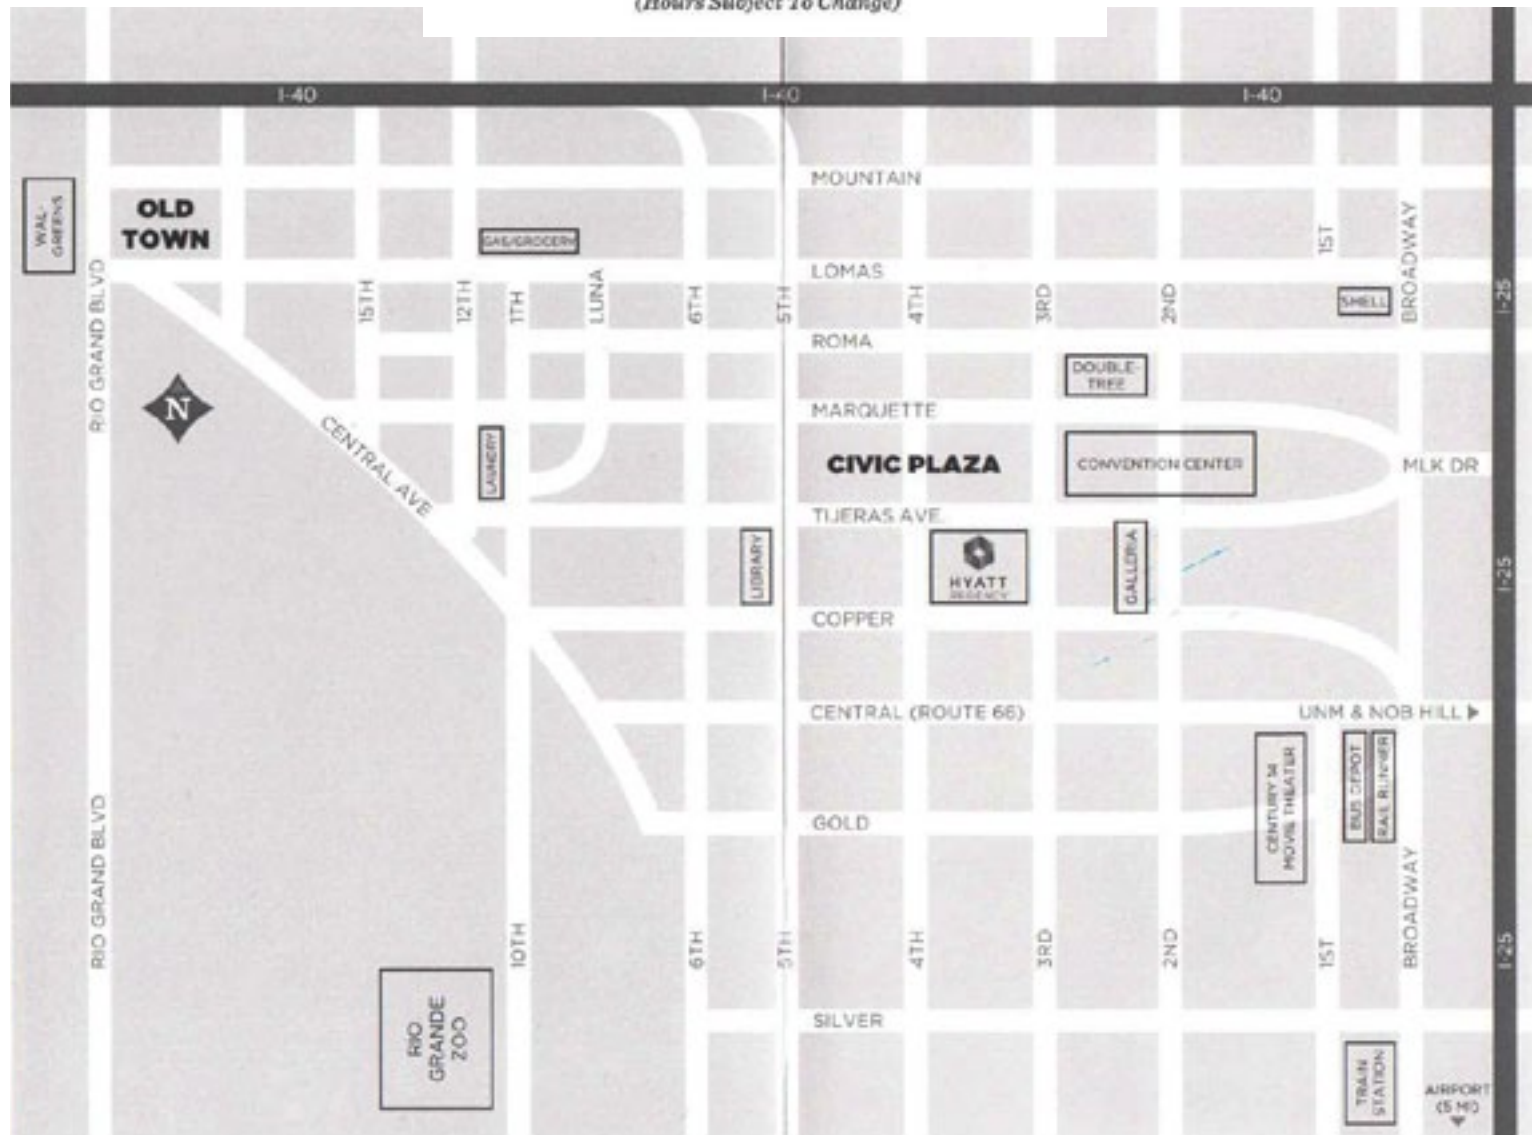

Looking to get outside and go for a run or walk? Look no further! Use this guide for a beautiful route through the country club to the ending up at the San Gabriel State Park. Copies of this will be provided at the Concierge Desk of the hotel.

Eating is such a big part of traveling and Albuquerque knows how to eat! We are located just two blocks from the Historic Route 66 Entertainment District with plenty of restaurants to choose from. Take a look below to start planning your good eats!
